INTRODUCTION

This issue is part of the Edufrienz library of learning and activities. We have created this exclusive content to support your children's learning and development.

Welcome to our fun drawing adventure for children aged 7-8! These worksheets will teach children step by step how to draw a variety of exciting subjects, allowing them to create amazing drawings of people, animals and more!

Not only will your child improve their drawing skills, but they will also learn to follow instructions. This is a great way to develop their problem-solving abilities and patience.

No artistic skills are required! Kids are guided through each drawing, making it easy and fun for everyone. Let's get started and unleash your child's creativity!

Recommended age: 7 years old and above

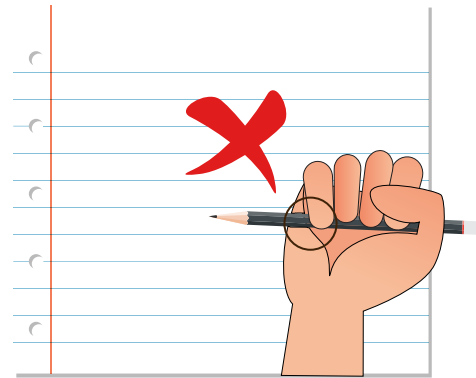

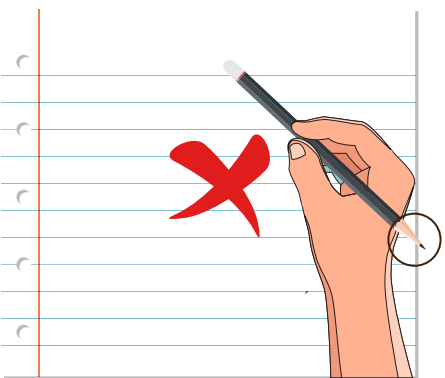

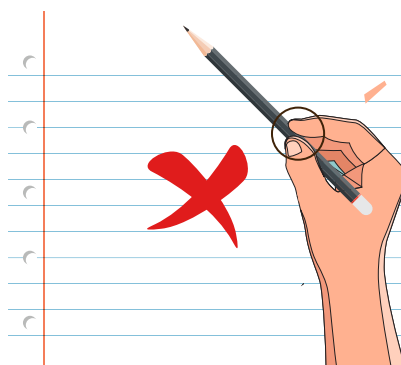

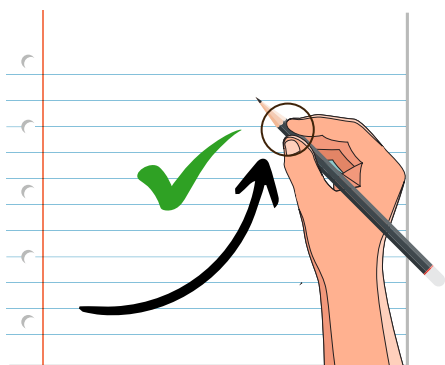

Table of Contents
